GRADING SYSTEM

JIBS uses a grading scale that runs from A to FX.

The grades A, B, C, D, and E are all passing grades. A and B indicate that the student has proven very good or excellent results in relation to the intended learning outcomes of the course. C indicates that the student has proven good and sound results, D that the student has proven satisfactory results, and E that the student has proven the sufficient minimum to pass the course (fulfilling all intended learning outcomes of the course). FX is provided when a student has not succeeded in reaching the required level for a certain element of examination or intended learning outcome. Students who receive an FX are offered re-examination on the course element(s) in question (e.g. written assignment, written exam, oral presentation).

STUDENT VISA/ RESIDENCE PERMIT

All students should have a valid passport for the period of their study in Jönköping. If the students need a visa/residence permit it depends on their nationality. More information at:

HEALTH INSURANCE

Exchange students admitted at Jönköping University (JU) receive a supplementary health insurance, which covers the students' medical treatment costs in Sweden. More information can be found in the Insurance terms and conditions. <http://ju.se/student/en/service/student-health-care.html>

Please note: Regarding medical care and dental care cover, this insurance does not apply for:
- Citizens of a Nordic country, EU/EEA country, Switzerland, or other country with which a convention regarding medical benefits exists. **In these instances the insured person must have an EU card or similar from their home country.**

Students will be expected to pay the same health care fees as Swedish residents.

Since the insurance only applies in Sweden, students are recommended to have another insurance that covers their trip to and from Sweden as well as occasional stay outside Sweden.
