

Curtin University

Curtin Sarawak Health Sciences Study Tour 2017

Curtin University will be offering a unique opportunity to Faculty of Health Sciences students to attend a one week study tour to Miri, Borneo with the focus on Health Sciences in an international context. This tour will give you a rare insight into the international culture and lifestyle on Western Australia's doorstep.

What's involved?

Examine the region's history, culture, social and business customs, the current economic outlook and the legal and political environments with reference to provision of health services and current infrastructure.

When: 8 to 16 July 2017

Eligibility: Open to all enrolled Health Sciences students in Good Standing who have completed at least two semesters of their course .

Cost: Approximately \$1,000. Exact cost to be advised.

Inclusions: International flights, transport, accommodation, structured itinerary of visits and workshops and sightseeing.

Application process:

Step One: Register your interest by emailing your full name, Student ID, course, and year of study to goglobal@curtin.edu.au

Step Two: Submit an application form provided following registration.

Make tomorrow better.
