About Curtin University

Ranked in the top 2% of universities worldwide, Curtin University offers globally relevant degrees across a variety of disciplines. The Academy for University Sport and Education enables you to balance your studies at Curtin with your commitments as an elite athlete.

When you become a Curtin student, you join more than 51,000 students from around the world studying at a global university ranked among the world’s best. We offer a wide range of courses at undergraduate and postgraduate level in the areas of business, humanities, health sciences, science and engineering.

Curtin’s main campus is located about six kilometres southeast of central Perth, on a picturesque 116-hectare site. With the vision to be an international leader in research and education that changes minds, lives and the world, Curtin is Western Australia’s largest and most multicultural university.

About Curtin Stadium

Curtin Stadium is our award winning sport, recreation and fitness complex located at Curtin’s main campus. It includes a 3-court basketball arena, gym, group fitness and training areas, along with a variety of outdoor playing arenas. Adjacent to the stadium is the internationally renowned Perth Hockey complex, used by local, state and national teams.

Through the program you’ll have the option to use our high-quality facilities and take advantage of our partnerships with prominent sporting organisations including:

State Government Department of Sport and Recreation

The agency is an active supporter of AUSE and the sporting programs provided at Curtin University.

Hockey WA and the National High Performance Program

With a high performance program, the latest technological advances and Olympic level playing surfaces, it’s the only national sporting program to be located on a University campus in the country. Australia’s national teams are based at this complex.

Rowing WA

Curtin University has its own Rowing club and facilities located on the Canning River. Rowing in Western Australia is governed by Rowing WA and the AUSE has built an ongoing working relationship with Rowing to provide opportunities for all levels of rowers.

Basketball WA

Basketball WA is the governing body of basketball in the state and has a range of joint initiatives with Curtin University. Coaches and mentors from BWA provide training and playing opportunities for academy members.

Volleyball WA

The home for everything volleyball in Western Australia is Volleyball WA (VWA). Whether it is indoor volleyball in the winter or beach volleyball in summer, VWA, is governing and managing volleyball all year round.

Volleyball WA is proud to be a supporter and partner in the Curtin Academy of University Sport and Education.

ACADEMY FOR UNIVERSITY SPORT AND EDUCATION

An academy that blends elite sport, education, culture, life and leadership.

Make tomorrow better.

life.curtin.edu.au/curtin-stadium.htm
Progress your sporting career, get a tertiary education and see the world

Have you dreamed of embarking on the study and sporting adventure of a lifetime? Based in Perth, Western Australia, Curtin University’s Academy for University Sport and Education can help you achieve your sporting, educational and travel goals.

Throughout the past decade, the Elite Athlete Program has helped more than 1,500 athletes achieve success in the classroom and in the sporting arena, including:

Mathew Swann (Hockey) – Olympic bronze medallist 2012 and World Young Player of the Year 2011. Studying Commerce with a double major in Finance and Accounting.

Lauren Mitchell (Gymnastics) – Represented Australia at the 2008 and 2012 Olympic Games. Studying a Bachelor of Biomedical Science.

Anna Flanagan (Hockey) – Represented Australia at the 2012 Olympic Games and World Young Player of the Year 2013. Studied Journalism.

Dane Haylett-Petty (Rugby union) – Plays for Western Australia in the Super Rugby competition and has played at the elite level in French and Japanese leagues. Studying a Bachelor of Commerce.

Sport is an integral part of the student experience at Curtin University. Our elite athlete support program leads the way in Western Australia.

Athlete Development Program

Studying at an overseas university and training for elite sport is a challenge, which is why we’ve established the Athlete Development Program. It provides international athletes studying at Curtin with ongoing support and flexible learning to promote academic and sporting success.

Academy members will receive the highest quality education assistance, skills development, fitness training and life skills development with some of Australia’s leading professionals and sports coaches.

Sporting support:
- First class coaching programs
- Sport technique development
- High level sporting competition
- Individual fitness assessments and training programs
- Pre-habilitation, biomechanical assessments and programs
- Sport psychology and performance enhancement.

Academic and lifestyle support:
- Education services
- Accommodation services
- Dynamic leadership and life skills program
- Unique Australian cultural and recreation program
- Fitness and sporting facility access.

Through our programs you’ll graduate with a globally recognised university degree, become a part of the prestigious Curtin alumni, network with international and Australian sports stars, enhance your sporting ability and enjoy the culture and beauty of one of Australia’s most dynamic capital cities.

Applying

Academy membership is by selection after an application and interview process. Please email Tarryn Dickerson, Elite Athlete Coordinator, Curtin University, at t.dickerson@curtin.edu.au for more information on the application process.
