Follow all the excitement with #astrofest
With telescope observing throughout the evening, Astrofest activities will also include...

- Model of the Square Kilometre Array telescope
- Scitech Spacedomes and science shows
- Night sky tours
- Guest speakers
- Radio astronomy
- Giveaways for the young and young-at-heart
- Info stalls and hands-on activities
- Astrophotography competition
- Telescopes to try and buy

Check astronomywa.net.au for the full program.

Register at astronomywa.net.au by Thursday 26th March for your chance to win a prize!

Take a look through some of WA’s biggest amateur telescopes and watch expert demonstrations.

Bring an early dinner and make yourself comfortable in the picnic area, or there is food available from a variety of vendors.
