Acknowledgement

Curtin’s Bentley campus enjoys the privilege of being located in Whadjuk/Nyungar country on the site where the Swan and Canning Rivers meet. These are the names of the indigenous owners of this land.

The area is one of the most significant places that sustained the life and wellbeing of the traditional owners that gathered along the banks of the rivers.

We go forward with honour and respect, by acknowledging the Elders of the Nyungar Nation past and present, their descendants and families, sovereign owners of Whadjuk country.
