SANDitecture
2016
You’ll be amazed at what we do with a pile of sand.

Alcoa Court
outside Building 201

Monday 29 February - Thursday 10 March:

Look out for skilled sand sculptural artist Tim Darby’s sand sculpture as it gets better and better as the week goes on.

Tuesday 8, Wednesday 9 & Thursday 10 March
9.00am – 4.00pm:

Have a go yourself and build your very own sandcastle, chill out in one of the paddling pools and soak up the beach vibes.

Thursday 10 March
9.00am – 4.00pm:

Watch 1st year architecture and interior architecture students put the skills they have learnt into practice to build a 3D abstraction of a famous architectural building from sand.
