Welcome from our CEO - Susan Rooney

At Cancer Council WA we believe that no-one affected by cancer should walk alone, so for West Australians diagnosed with cancer and their families, we are right there by their side, helping to guide the way through every stage of their cancer journey. This past year we provided specialist information and advice, a wide range of practical and emotional support, as well as survivorship programs to more than 30,000 cancer patients and their loved ones throughout the state. Because Relay participants walk by our side, we have been able to continue to develop our much needed services and fund more world class research and prevention, to keep us moving closer to a cancer free future. Last year there were 14 Relay For Life events across Western Australia, with over 8,937 participants raising a fantastic $2.75 million an amazing result. In 2015 we again have 14 events scheduled – how incredible is that! So we wanted to say THANK YOU so very much for deciding to join your local community in making a difference through Relay For Life.

THANK YOU for being an integral part of Relay For Life. Your support, dedication and efforts have made an enormous difference to the lives of thousands of West Australians!

THANK YOU for helping us beat cancer.
A Message from Event Chair, Krishan Shah

My second year as Chair of Relay For Life Curtin has come with many joys, fresh challenges and most importantly, the opportunity to once again work with people who constantly inspire me with their generosity and genuine dedication to finding a cure for cancer.

The organising committee has worked tirelessly to plan the event and together with some incredibly passionate teams, spirited entertainers, dedicated volunteers and generous supporters and donors, we hope to make this the best Relay For Life Curtin yet!

Relay For Life Curtin 2015
with Cancer Council liaison Sarah Smith

“My name is Sarah and I have had the joy of working with the amazing Relay For Life Curtin committee for the last 24 months. My role as Area Coordinator is to be a link between the Cancer Council and the volunteer committee. I am there to guide, mentor and train the committee. I am very lucky to work with such a dedicated, talented and committed bunch of young people.”

At Relay For Life we...

Celebrate!

Our cancer survivors are our Relay Heroes! So today we celebrate the inspiration we gain from their courage, determination and hope.

Remember!

Candle tributes are a small bag containing a tea light candle and some sand. Each one is a powerful reminder of our family and friends who have been affected by cancer. Each tiny candle is a part of a chain of light creating a gentle glow around the track. Candle tributes are placed just prior to the Candlelight Ceremony.

Fight Back!

There are many ways we can reduce our risk of developing cancer. No matter how small the action, it will make a difference and could be lifesaving.

Survivor/Carer Registration: 10am, 17 October
Opening Ceremony: 11am, 17 October
Survivors/Carer lap of honour & Morning Tea: 11:30am, 17 October
Candlelight Ceremony: 8pm, 17 October
Teams bank money at: 6:30pm, 17 October and 9:30am, 18 October
Non-registered attendees leave by: 9pm, 17 October

Candle bags are for sale at Teams marquee for $5 and can be decorated – all proceeds to CCWA.
Ceremonies

Opening and Closing Ceremony Oath:

“In the name of all Relay For Life participants I confirm that we [are/have been] here to celebrate the lives of cancer survivors, to support those fighting cancer and to honour those we have lost.

Our commitment [will be/has been] symbolised in every step we [take/have taken], each and every one moving us nearer to our goal - the goal of a cancer free world for future generations”.

Opening Ceremony

The Opening Ceremony will signify the official start of Relay For Life Curtin 2015. Survivors and Carers will lead the first lap, allowing all to celebrate what they have overcome. This is followed by a complimentary morning tea for Survivors and Carers.

Candlelight Ceremony

The Candlelight Ceremony provides teams the opportunity to remember loved ones lost to cancer. Don’t forget to purchase your candle bags to help commemorate those who are no longer with us. The candle bags will be placed around the edge of the track.

Closing Ceremony

The Closing Ceremony brings the event to its conclusion. A pledge to fight back is usually made about what individuals can do against cancer over the next year.
Band Profile: Della Fern

It's a rare occasion that five people from three different countries meet in Perth to start a band, but now this funky, indie-pop band show that just like their beginnings, they are bringing something unique and special to captivate their audiences.

We asked Beau what their reason was for playing at Relay and what made it a worthwhile cause:

“I have recently had cancer become more real to me personally. When our loved ones are sick and nothing seems to be going our way, it's really good to know that there is someone else who is fighting for us too. As Della Fern, we are for life and believe that it's worth protecting. That's why we were thrilled to be part of such an awesome event.”

Della Fern will be performing at 6pm on Saturday and they’re sure to put on a hell of a show so make sure you pull up a beanbag in front of the main stage and enjoy their dancey tunes, catchy riffs, and tasteful lyrics!

Get dunked and raise some money for your team!
The dunk tank will be here from 12pm – 3pm for your dunking pleasure! Encourage a friend to take the plunge or do so yourself. Each throw costs a gold coin donation and if it’s one of your team members – all the money raised will go to your team’s fundraising total!
Games & Activities

Inter-Team Tug of War Rules

From **3.30pm on Saturday**, the teams that have registered for the inter-team tug of war competition will begin battling it out! Even if you’re not involved, be sure to check it out and cheer the other teams on!

- Battles will be **5v5** with five players on each team (if both teams have six, seven or eight players ready, they may compete 6v6, 7v7 or 8v8).
- Teams must register at the team **registration desk before 12pm**
- If your team loses, you are knocked out of the competition
- If your team has entered, you must ensure that your team **arrives 10 minutes** before your scheduled time. If your team is not there within 5 minutes of the start time, you will automatically forfeit.

The winning team of the competition wins a prize!

Balloon Tag

At **5.30pm on Saturday** each RFL participant walking around the track is given a balloon with a 30cm piece of string attached to it. They must tie it around their ankle and then try to pop other participants’ balloons by stomping on them. Last participant with a balloon wins.

- Each participant must tie the balloon around their ankle so it can be easily stepped on
- Participants are not to trip, kick or hurt each other
- Balloon must be inflated to a standard balloon size

Please note that participants engage in all games, activities and entertainment at their own risk.
Circus Curtin Lessons

Do you find yourself trying to juggle all of life’s commitments at the same time?

Well CIRTIN might not be able to fix your problem entirely but they will sure teach you how to take your mind off it for a while – and learn a pretty cool skill while you’re at it!

As part of their fundraising efforts, CIRTIN will hold circus skills workshops at their tent site at 12pm, 2pm, 4pm and 6pm on Saturday 17 October. A gold coin donation and a willingness to have some fun is all you need! Come ask us at the registration desk and we’ll tell you where they’re located!

The Kewdale BBQ!

Thanks to the Kewdale team who will be running a BBQ on Saturday with all proceeds going to their team! Follow your nose and you’ll be sure to find them!

Sausage: $3.50
Salad: $3.00
Satay: $2.50
Soft Drink: $2.00

Team Profile: North West

Meet team North West! A student group that joined Relay For Life to honour their family members who have had to battle against cancer. Their team consists of people who have had family members defeat cancer, some who have lost their fight and others who continue to fight against the disease.

The team surpassed their $1,500 fundraising goal and went from strength to strength undertaking fundraising efforts that included bake sales, a barbeque, a carbonara cook-off and an online campaign to collect donations.

“It was when I discovered that one of my team member’s close family had actually been helped first-hand by the support services CCWA provides that it gave me a true perspective of where the money we were raising was going and what it did for families” says Team Captain Nafisa Akhter.

- Order a support/information pack for someone in need
- Volunteer for Cancer Council WA
- Be a role model and get involved

One man fought back and changed the world...

One man, one dream, one track! Consider Gordy Klatt the founder of Relay For Life. In 1985, Gordy a colorectal surgeon in America wanted to do more to support his cancer patients. He spent 24 hours circling a track and raised $27,000 to fight cancer. Since then the event has spread across the globe and now Relay For Life events are held in more than 21 countries and $4 billion dollars has been raised.
Thank you for sponsoring this event and making it happen!
