Section 4  To be completed by the Head of Department

The Sir Charles Court Young Leaders Program is keen to attract excellent History students, and so academic achievements are important. However, other criteria are essential to give a complete picture of the student, as the program is also aimed at leaders within the school community. Please consider this when making your nomination and providing us with comments on your student’s suitability. You may also wish to consult with other staff, for example the student’s English Teacher or Year Co-ordinator. As the Selection Panel cannot interview the nominated students they depend on the information given by the teacher and the student to help them in their task. The input of teachers is most important.
