Welcome to the Edwards School of Business!

About Us

The Edwards School of Business is a destination of choice for business students in Western Canada. We have over 1,700 undergraduate students pursuing business degrees with specializations in the areas of Accounting, Finance, Human Resources, Management, Marketing and Operations Management.

Our vibrant faculty often receive widely-recognized teaching awards for their excellence in the classroom. We focus on providing the foundational skills as well as learning opportunities that give students real world, hands-on experience in business.

As an exchange student you will:

- Study alongside fellow Canadian and international colleagues

- Experience a rich and supportive learning environment that provides the opportunity to enhance and develop communication, strategic thinking and management skills

- Have access to one-on-one accessible academic advising and supports provided specifically to exchange students through the Hanlon Centre for International Business Studies.
Semester Dates
September – December (Fall Term)
January – April (Winter Term)

Application Process
- Exchange students may apply to study at the Edwards School of Business for one or two semesters
- Once nominated by your home university (between January 1 and April 1, 2016) you will be contacted by our International Student and Study Abroad Centre with application details
